Cum sterg o regula suspecta din aplicatia Roundcube?

Dupa logare accesati in partea dreapta **Settings**

- apoi in stanga jos apasati pe **Filters**

- in campul **Filters** cautati dupa reguli denumite cu semne de punctuatie ., :, -, =, .etc sau "**DubiousSieve**" si o combinatie de cifre aleatoare.

- dati **click** pe regula

- in partea de jos apasati pe butonul de **Setari**  si apoi **Delete**
