Cum vizualizez mesaje in format HTML pe Squirrelmail?

- accesati mesajul primit
- la linia Options apasati pe **View as HTML**

Options: [View Full Header](#) | [View Printable Version](#) | [Download this as a file](#) | [View as HTML](#) |

Daca doriti ca tot timpul mesajele sa fie afisate in format **HTML**:

- accesati meniul **Options**
- apoi **Display Preferences**
- bifati **Show HTML Version by Default**

Show HTML Version by Default: ☒
